To Whom It May Concern

Maurice Ling

I have the opportunity to work with Maurice on several community service projects. Through these community service projects, I have found him to be one of the most dedicated and supportive volunteer I have ever seen.

Maurice demonstrated strong and dynamic leadership. Fired with enthusiasm, he motivates others to contribute their best too. When faced with challenging projects, he displays an ability to learn rapidly and adapt quickly to changing situations. He also displays a high degree of emotional maturity.

Totally dedicated and unstinting of his time and energy, He would go out of his way to carry out his responsibilities. He has initiative and often contributes ideas to promote social cohesiveness or ways of organizing a project. Some of his ideas are quite original.

Always courteous, his conduct is exemplary. He is a very considerate and helpful person – a gentleman. His demeanour is always unruffled and calm. He is a very pleasant young man.

I have confidence that he will succeed in the course he chooses.
